

## Gramercy Surgery Center PAT Triage Questionnaire

Dear Patient,

This questionnaire will help the Gramercy Surgery Center team determine what, if any, preoperative work up will be needed prior to your surgery and help them gather all available medical information about you. Please fill it out as best you can. This information will help to avoid any delay in your surgery. In some cases, we will contact you to schedule an appointment for a preoperative anesthesia evaluation either in our Manhattan or Queens Center.

If you have any questions, please contact us at **(212)254-3570 \*Option 3**.
